RON WILSON
FURNITURE REMOVALS & STORAGE

Containerised Removals & Storage

Ron Wilson's Containerised Trucks are a very convenient way to move and store your goods. Our trucks arrive to your home with a container on the back. Your precious cargo is loaded directly into the container and secured. We can then redeliver your goods either locally or interstate.

If you don't have a home to go to immediately, we can offload the container to our secure storage yard and store it for as long as you need, be it a couple of days or months. When you're ready to go, your container is put back on the truck and delivered to your new home.

Benefits of Containerised Removals & Storage:

- Safe and Secure – sealed for your protection
- Cost Effective – reduces double handling
- Convenient for shipping interstate via rail
- Short to Medium term storage available
- Clean & Weatherproof
